## The Star Wars that I used to know by Teddie Films

Now and then I think of when I was in power	But (4) Wars will be done my way
Like choking people with the Force until they died	I don't care what they have to say
But then you told them all my history	I think that they should let it go
And took away my masculinity	Or they'll never get the Blu-Ray
And had my character portrayed by subpar actors	Of the Star Wars that you (5) to know
You are now addicted to an overuse of graphics	You didn't have to change it all
And making Greedo shoot first? Han shot first!	No more puppets, no more practical effects or nothing
So when you tried to have the (1) make sense	I don't even need (6) love
You introduced the midichlorians	But you treat me like a (7) and that feels so
And what's the deal with having me be (2)	cold
over	No you didn't have to sell your soul
But you didn't have to change it all	Do we really need to watch them all again in 3D?
Make them like they never happened	Jar Jar was an all time low
And the fans are nothing	What happened to the Star Wars that I (8) to
I don't even need your love	know?
But you treat me like a Bantha and that feels so rough	The movies
No you didn't have to make them blow	I (9) to know
Have your friends direct your movies	The movies
And they'll turn out better	What happened to the (10) Wars that I used to
You think that you don't need them though	know?
What happened to the Star Wars that I used to know?	The movies
What happened to the Star Wars that I used to know	I used to know
What happened to the Star Wars that I used to know	The movies
What happened to the (3) Wars that I used to	What happened to the Star Wars that I used to know
know	I used to know
Now and then I think of all the times	That I used to know
I screwed fans over	I used to know
I had them believing that the first three films	That I used to know

- 1. Force
- 2. dubbed
- 3. Star
- 4. Star
- 5. used
- 6. your
- 7. Bantha
- 8. used
- 9. used
- 10. Star
