

## Fill in the gaps

I call it a (1) because you	know (2)	Never going to quit it, no
you will		Now we're (16) up speed
You bite your (3) like	chocolate	As we're approaching the hill
You said that we go where (4)	knows	Your hair smells like chocolate
Guns hidden (5) our petticoats		Now you say you're going to quit it
And never going to quit it		But you're never going to quit it
We're never going to quit it, no		Go get it, go get it, go
Run, run away from the boys in the blue		And play it cool
My car smells (6) chocolate		We go where (17) knows
And now I (7) (8) what to do		We've got guns hidden under our petticoats
I think about (9) to say		And we're never going to quit it
I (10) about how to think		We're never (18) to (19) it, no
Pause it, play it, (11) i	t, (12) it,	We're dressed in black from (20) to toe
pause it		We've got (21) hidden under our petticoats
Oh, we go where nobody knows		And never (22) to (23) it, no
Guns hidden under our petticoats		And (24) going to quit it, no
We're never going to quit it		I think we better go, seriously, better go
Never going to quit it, no		I said the feds are here
We're dressed in black from head to toe		You know, seriously, better go
We've got guns hidden under our petticoats		Well, I think we (25) go
We're never going to quit it		I (26) the feds are here
Never (13) to quit it, no		You know, I said, Rebecca better know
I'm never going to quit it, no		Seriously better go
You're never going to quit it, no		Well, I think we better go
You're never going to quit it		Well, I think we (27) go
If you don't stop smoking it		Well, I think we better go
That's what she said, she said		I think we better go
We're (14) in black he	ead to toe	
Guns hidden (15) our petti	coats	
And we're never going to quit it		
We're never going to guit it
