## Heart attack by The Asteroids Galaxy Tour

I did twenty two states and half a mile	Yes we got good times rolling in a red corvette
Just to see your face before I die	You and me in silhouette
I don't care if all the lights are red	We're gonna hip shake escape
I've got a wild horse running right through my head	Do the (5) we never dared
Well jeez Louise now don't you stop?	You got me head (6) (7) on gasoline
Because I'm not half way through of having enough	
You and me until we drop	You know how it (8) like nicotine
We're gonna hip shake escape	Head over heels go raise your flag
Come on take me to the top	Come on bang bang give me heart attack
You got me head over (1) on gasoline	(9) attack
You know how it feels like nicotine	Burning down the wheels tonight
Head over heels go (2) your flag	Hey! Are you ready?
Come on bang bang (3) give me heart attack	(bis)
Heart attack	You got me head over (10) on gasoline
Burning (4) the wheels tonight	You know how it feels like nicotine
Hey! Are you ready?	Head over heels go raise your flag
Burning down the wheels tonight	Come on bang bang give me heart attack
Hey! Are you ready?	Heart attack
Burning down the wheels tonight	You got me head over heels on gasoline
Hey! Are you ready?	You know how it feels like nicotine
Burning down the wheels tonight	Head over heels go raise your flag
My man knows what it's all about	Come on bang bang give me heart attack
He will shoot me first then ask me out	Heart attack
It was meant to be right from the start	Heart attack
Yes he carved his name into my heart
