I (1) you on the day we wed	If you go before I do
I was gonna love you till I's dead	I'm gonna tell the gravedigger that he better dig two
Made you wait till our (2) night	Dig two
That's the first and the last time I'll wear white	I took your name
So if the (3) that bind ever do (4) loose	When I took those vows
Tie (5) in a knot (6) a hangman's	I meant them back (19) and I (20) them
noose	right now
Because I'll go to (7) or I'll go to hell	Oh, (21) now
(8) I'll see you with (9)	If the ties that bind ever do come loose
else	If forever ever ends for you
Put me in the ground	If that ring gets a (22) too tight
Put me six (10) down	You might as well read me my last rites
And let the (11) say	And let the (23) say
Here lies the girl whose only crutch	Here lies the girl (24) (25) crutch
Was loving one man just a (12) too much	Was loving one man (26) a little too much
If you go before I do	If you go before I do
I'm gonna (13) the gravedigger that he better dig	Gonna (27) the gravedigger that he better dig
two	-two, two-
Well, it won't be whiskey, it won't be meth	There'll be a stone right next to mine
It'll be your name on my last breath	We'll be together till the end of time
If divorce or death ever do us part	Don't you go before I do
The coroner will (14) it a broken heart	I'm gonna (28) the
So put me in the ground	(29) that he better dig two
Put me six foot down	I told you on the day we wed
And let the stone say	I was gonna love you till I's dead
Here lies the girl whose (15) crutch	
Was (16) one man (17) a	
(18) too much
