

## Fill in the gaps

Hey Jude, don't make it bad	So let it out and let it in
take a sad song and make it better	Hey Jude begin
Remember to let her (1) (2) heart	You're waiting for someone to perform with
Then you can start to (3) it better	And don't you know that it's just you
Hey Jude, don't be afraid	Hey Jude, you'll do
You were made to go out and get her	The movement you need is on (8) shoulder
The minute you let her under your skin	Na na na na na
Then you begin to make it better	na na na na yeah
And (4) you feel the pain	Hey Jude, don't make it bad
Hey (5) refrain	take a sad song and make it better
don't carry the world upon your shoulders	Remember to let her under your skin
For well you (6) that it's a fool	Then you begin to make it better
who plays it cool	Better, better, better, better, oh
By making his world a little colder	Na, na na na na na
Na na na na na	na na na na, hey Jude
na na na na	Na, na na na na na
Hey Jude don't let me down	na na na na, hey Jude
You have found her, now go and get her	Na, na na na na na
Remember to let her into (7) heart	na na na na, hey (9)
then you can start to make it better
