

## Fill in the gaps

Help! I need somebody		I know that I just need you
Help! not just anybody		Like I've never done before
Help! you know I need (1)		Help me if you can, I'm feeling down
Help!		And I do appreciate you being round
When I was younger		(2) me get my feet back on the
so much younger than today	ground	
I never needed		Won't you please, please help me?
anybody's help in any way		When I was younger,
And now these days are gone		So much younger than today
I'm not so self assured		I (3) needed anybody's help in
Now I find I've changed my mind	any way	
I've opened up the doors		But now these days are gone,
Help me if you can		I'm not so self assured
		Now I find I've (4) my mind
I'm feeling down		I've opened up the doors
And I do appreciate you being round		Help me if you can,
Help me get my feet back on the ground		
Won't you please, please help me?		I'm feeling down
And now my life has changed in oh so many		And I do appreciate you being (5)
ways		
My independence seems to vanish in the haze		Help me, get my feet back on the
And now these days are gone	(6)	
I'm not so self assured		Won't you please please help me?
		Help me, help me
