

## Fill in the gaps

\_ wanna stay,

| You (1) your mind                  | You're up then you're down         |
|------------------------------------|------------------------------------|
| Like a girl (2) clothes            | You're wrong (19) it's right       |
| Yeah you P.M.S                     | It's (20) and it's white           |
| Like a bitch                       | We fight we (21) up                |
| I (3) know                         | We (22) we make up                 |
| And you over think                 | You, you don't really wanna stay   |
| Always speak cryptically           | You, but you don't really wanna go |
| I should know                      | You're hot then you're cold        |
| (4) you're no good for me          | You're yes then you're no          |
| Cause you're hot (5) you're cold   | You're in then you're out          |
| You're yes (6) you're no           | You're up then you're down         |
| You're in (7) you're out           | So cold, so cold                   |
| You're up then you're down         | Someone call the doctor            |
| You're (8) when it's right         | Got a case of (23) bi polar        |
| It's black and it's white          | Stuck on a roller coaster          |
| We fight we break up               | And I can't get off this ride      |
| We kiss we (9) up                  | You change (24) mind               |
| You, you don't really (10) stay no | Like a girl changes clothes        |
| You, but you don't (11) wanna go   | Cause you're hot then you're cold  |
| You're hot then you're cold        | You're yes then you're no          |
| You're yes then you're no          | You're in then you're out          |
| You're in then you're out          | You're up then you're down         |
| You're up (12) you're down         | You're wrong (25) it's right       |
| We used to be                      | It's black and it's white          |
| (13) like twins                    | We fight we break up               |
| So insync                          | We kiss we make up                 |
| The (14) energy                    | You, you don't (26) w              |
| Now's a (15) battery               | You, but you don't really wanna go |
| Used to laugh                      | You're hot then you're cold        |
| About nothing                      | You're yes (27) you're no          |
| Now you're plain boring            | You're in then you're out          |
| I (16) know                        | You're up then you're down.        |
| That you're not gonna change       | You don't really wanna stay, yeah  |
| (17) you're hot then you're cold   |                                    |
| You're yes then you're no          |                                    |
| You're in (18) you're out          |                                    |

## 1. change

- 2. changes
- 3. would
- 4. That
