

Fill in the gaps

I kept you in the shape of the night	(12) I guess we'll stay
But not as a (1) of war	(13) if it doesn't you'll never
Tell the analysis it isn't alright	Ever, (14) ever, ever ever
Because this part of the mind	Ever (15) me again.
Is dressed in childish decor	Never ever love me again
And when the sun (2) out, I'll ask to play	Never (16) hurt me again
And if you don't have money we'll work all day	(17) love me again
And there's a time and a (3)	Never again
She said: well, this is (4) place	Never love me again
We've got to (5) (6) or we'll have	I'm (18) a child
to retrace	And you're (19) a child
The little engine that could	And I'm just a child
Was the engine that (7) now	Well I'm just a child, and you're (20) a child
I told you I'd never	I'm (21) a child, just a child, just a child and
Ever, (8) ever, ever ever	You're (22) a child, just a child, just a child and
Ever hurt you again	I'm just a child, just a child, (23) a
I'm fine all alone in my own head	(24) and
That's if you just say that you won't ever (9) me	You're just a child, just a child, just a child and
Oh, I can see, that you are meant to be	It's time for us to play
Stuck like my skeleton key in stability	It's time for us to play
Though, we can (10) it in	It's (25) for us to play
Yes, we can turn it anyway	
And if it (11) anyway
