

Fill in the gaps

So (1) we, so soon we	So you find a way to (15) a little with you
So soon we're too old to carry	For the ones you love, for the (16) you love
And we (2) it, and we knew it	For the ones you love there's if they (17) too
And we knew we only had a (3) while	Pharaoh, pharaoh
In the middle, in the middle	Pharaoh they're not coming with you.
In the (4) just keep (5)	And we go back to where we came from
over	(18) those before and those to come
(6) you know it, before you know it	And (19) it's the ever and the more
(7) you know it parent's a parent	And again and again
To have it all, to have it all	So soon we, so soon we
To have it all and still (8) more	So soon we're too old to carry
One thing's for sure, one thing's for sure	And we knew it, and we knew it
One thing's for sure we're all getting older	Abd we knew we only had a little while
So we (9) a lover, so we take a lover	In the middle, in the middle
So we take a lover (10) in the corner	In the middle just (20) ticking over
And before you know it, before you (11) it,	Before you know it, (21) you (22) it
(12) you know it, pushing up the daisies	Before you know it parent's a parent
And we go back to where we came from	And we go back to where we came from
(13) those before and those to come	Like those (23) and (24) to
And know it's the ever and the more	come
And again and again we go	And (25) it's the ever and the more
In the end, In the end	And again and again and again
In the end nothing comes easy	
So you (14) a way, so you find a way
