

We get a little stronger

Fill in the gaps

Against the opinion	Any time we lose
I have decided to lay down my feelings	We're gonna (5) control
With a brutal blow	Every (6) we fight
We (1) our (2) and change ain't	We get a (7) stronger
coming	Any time we lose
What you gonna do?	We're gonna lose control
Do you remember?	Help me now
We were young and sober	What you gonna do about it?
On dirty pavements we were the happiest soul	What you gonna do now about it?
Kiss (3) carved that hurted one another	What you gonna do about it?
What we gonna do about it?	(8) you gonna do now about it?
Everytime we fight	What you gonna do about it?
We get a (4) stronger	What you gonna do about it?
Any time we lose	Every time we fight
We're gonna lose control	We get a little stronger
Everytime we fight	Any time we lose
We get a little stronger	We're gonna lose control
Any time we lose	Every (9) we fight
We're gonna lose control	We get a (10) stronger
What to believe in when change ain't coming	Any time we lose
Good luck avoiding the bitching down	We're gonna lose control
They watch you stealing	Help me now
It's how you left me feeling	
What you gonna do about it?	
Every time we fight
