

Fill in the gaps

A normal day,	When you take a life,
everything (1) all right	you are taking mine
A thirteen year old,	You don't understand,
with a gun in his hand	you (7) understand
He left for school,	What we've been growing with patience and love
waving goodbye	has fallen apart
Not knowing that now,	A normal day,
here is no way back.	everything seems all right
All that was given,	A thirteen (8) old,
ne will take it away	betrayed by his dad
He doesn't even care,	He left for school,
there are (2) to blame.	waving goodbye
Then shoots a (3) girl,	Not knowing that now,
hat was running late	(9) is no way back.
She falls and she bleeds,	I'm filling my time with messages of hope
with no time,	I'm filling my time with thoughts of love
with no time to flee.	You don't understand,
You don't understand,	you don't understand
you don't understand	When you take a life,
When you take a life,	you are taking mine
you are taking mine	You don't understand,
You (4) understand,	you don't understand
you don't understand	What we've been growing with patience and love
What we've been growing (5) patience and love	You don't understand,
has fallen apart	you don't understand
The feeling of pain,	When you take a life,
never felt it before	you are taking mine
know it's not easy,	You don't understand,
hat there isn't a cure.	you don't understand
Stop looking away,	What we've been growing with (10) and
Quit turning around	love
Silence and violence would sure turn you down.	has fallen apart
You (6) understand,	
you don't understand
