Fill in the gaps

A normal day,	When you take a life,
everything seems all right	you are taking mine
A thirteen year old,	You don't understand,
with a gun in his hand	you don't understand
He left for school,	What we've been growing with patience and (8)
waving goodbye	has fallen apart
Not knowing that now,	A normal day,
here is no way back.	everything (9) all right
All that was given,	A thirteen year old,
ne (1) take it away	betrayed by his dad
He (2) even care,	He left for school,
here are (3) to blame.	waving goodbye
Then (4) a poor girl,	Not knowing that now,
hat was running late	there is no way back.
She falls and she bleeds,	I'm filling my time with messages of hope
with no time,	I'm filling my time with thoughts of love
with no time to flee.	You don't understand,
You don't understand,	you don't understand
you don't understand	When you take a life,
When you take a life,	you are taking mine
you are taking mine	You don't understand,
You don't understand,	you don't understand
you don't understand	What we've been growing with patience and love
(5) we've been (6) with	You don't understand,
patience and love	you don't understand
has fallen apart	When you take a life,
The feeling of pain,	you are taking mine
never (7) it before	You don't understand,
know it's not easy,	you don't understand
hat there isn't a cure.	What we've been growing with patience and love
Stop looking away,	has (10) apart
Quit turning around	
Silence and violence would sure turn you down.
