

Bang-bang, an aerial nightmare

## Fill in the gaps

## Your mind is on the run by The Monomes

t's not quite the time	she still doesn't know
not really the rhyme	if (3) right or I'm wrong
that voice is cracking up	but what you cannot buy
doomed to a funeral bang-bang	is a smile on the sunshine
the sweetest nightmare	(4) (5) are on the ground
my mind (1) seem to stop	and your mind is on the run
I've been hiding for too long	your mind is on the run.
you cannot even try	Won't somebody, somebody too healthy
you cannot learn to fly	come and help me from the storm
when your feet are on the ground	I know, you lend me your wings
and your mind is on the run	so I (6) feel free
Won't somebody, (2) too healthy	be calm and be warm
come and help me from the storm	-be calm and be warm-
I know, you lend me your wings	(7) somebody, (8) too
so I could feel free	healthy
be calm and be warm	(9) and help me from the storm
-be calm and be warm-	I know, you lend me your wings
It is what it looks like	so I could (10) free
the dark of the night	be calm and be warm
keeps my blood cold enough	-be calm and be warm-
so my mind can stay bright
