Fill in the gaps

View (from an airplane window) by The Monomes

It feels so strange to be out of place	is lost (3) my secrets
When you know you're breathing in different air	I miss you
I search for feelings that I try to trace	I try to find you in my suitcase
With a gin and tonic rocking in my chair	My memories are
The taste can spread	locked inside a box
but I know you aren't there	and there's a key that would open it
And I'll hide myself in a bottle of beer	is (4) inside my secrets
'Cause my memories are	I miss you
locked inside a box	I try to find you in my suitcase
and there's a key that would open it	(5) sky torn (6) like a drum
is lost inside my secrets	
I miss you	(7) a strum like a tear of my soul
I try to find you in my suitcase	The man stood still with his mind aware
The sun is gone, but the light still burns	'Cause my memories are
The view up here	locked inside a box
makes me be the clear	and there's a key that would open it
Let me shake my ball	is lost inside my secrets
and you will appear	I miss you
Although I think tonight	I try to find you in my suitcase
I might be sleeping here	My memories are
Cerulean sky (1) apart like a drum	locked inside a box
(2) a strum	and there's a key that (8) open it
like a tear of my soul	is (9) inside my secrets
The man stood still with his mind aware	I miss you
'cause my memories are	I try to (10) you in my suitcase
locked inside a box	
and there's a key that would open it
