

and there's a key that would open it

Fill in the gaps

View (from an airplane window) by The Monomes

It feels so (1)	to be out of place	is lost inside my secrets
When you know you're breathing in different air		l (17) you
I search for feelings that I try to trace		I try to find you in my suitcase
With a gin and tonic (2) in my chair		My memories are
The (3) can spread		locked inside a box
but I (4) you aren't there		and there's a key that (18) open it
And I'll hide myself in a	(5) of beer	is lost inside my secrets
'Cause my (6) are		I miss you
locked inside a box		I try to find you in my suitcase
and there's a key (7) would open it		Cerulean sky torn apart like a drum
is lost (8) my secrets		like a strum like a tear of my soul
l (9) you		The man stood still with his mind aware
I try to (10) you in my suitcase		'Cause my (19) are
The sun is gone, but the light still burns		locked (20) a box
The view up (11)		and there's a key (21) would open it
makes me be the clear		is lost (22) my secrets
Let me shake my ball		l (23) you
and you will (12)		I try to find you in my suitcase
Although I (13) tonight		My memories are
I might be sleeping here		locked (24) a box
Cerulean sky torn apart like a (14)		and there's a key (25) would open it
like a (15)		is lost inside my secrets
like a tear of my soul		I miss you
The man stood still (16) his mind aware		I try to (26) you in my suitcase
cause my memories are		
locked inside a box
