Fill in the gaps

Sweater weather by The Neighbourhood

And all I am is a man
I want the world in my hands
I hate the beach
But I stand in California with my toes in the sand
Use the sleeves on my sweater
Let's have an adventure
Head in the clouds but my gravity's centered
Touch my neck and I'll touch yours
You in those little high (1)_____ shorts
Oh, she knows what I think about
And (2)_____ I think about
One love, two mouths
One love, one house
No shirt, no blouse
Just us, you find out
Nothing I really want to tell you about, no
Because it's too cold for you here
And now, so let me hold both (3)_____ hands
In the holes of my sweater
Before I may just take your breath away
I don't mind because now I might to say
Sometimes the silence guides your mind
So move to a (4)_____ so far away
The goosebumps (5)_____ to race
The minute that my left hand
Meets your waist
And (6)_____ I watch your face
Put my finger on your tongue because you love to taste
This heart's a door
Everyone the other be touched is for
(7)_____ this place is warm
(8)_____ it starts to pour
Coming down
One love, two mouths
One love, one house
No shirt, no blouse
Just us, you (9)_____ out
(10)_____ I really want to tell you about, no
Because it's too cold for you here
And now, so let me hold both your hands
In the holes of my sweater
Because it's too cold for you here
And now, so let me hold both your hands
In the holes of my sweater
Because it's too cold for you here
And now, so let me hold both your hands
In the holes of my sweater
Because it's too cold for you here
And now, let me hold both your hands
In the holes of my sweater
It's too cold, it's too cold
The holes of my sweater
