

Fill in the gaps

The kick in our ass says it's time to close		And the band was on playing our song
We're (1)	on each other	We messed up the lyrics as we sang along
Trying to beat the cold		But we didn't care
Carry your shoes and I give you my coat		Because it (5) like we were the only ones there
Walking (2) st	reets	Our (6) were sure
Like they were paved gold		Our thoughts were raw
There ain't anymore excuses not to go		They're turning on the lights, but we're shouting more
Neither one of us want to take that taxi home		We're shouting more
Singing our hearts out, standing on chairs		Singing our hearts out, standing on chairs
Spending our time, like we were millionaires		Spending our time like we (7) millionaires
Laughing our heads off, the two of us there		Laughing our heads off, the two of us there
Spending our time like we were millionaires, millionaires		Spending our time like we were millionaires, millionaires
Lost my heart and I hoped to die		Check out us since six in the morning
Seeing (3) sunlight hit your eyes		If time was money, yeah we'd be worth a fortune
Been up all night		I swear, you may think you're rich
But you still (4) a	amazing to me	You could have a million euro
Half the time of the night you only dream about		But you can't buy this
If God came down could take me now		Look at us since six in the morning
Because in my mind, we will always be		If time was money, yeah we'd be worth a fortune
Singing our hearts out, standing on chairs		I swear, you may think you're rich
Spending our time like we were millionaires		You (8) have a million euro
Laughing our heads off, the two of us there		But you can't buy this
Spending our time like we were millionaires, millionaires		Walking these streets
Check out us since six in the morning		Like they're paved gold
If time was money, yeah we'd be worth a fortune		There ain't anymore excuses not to go
I swear, you may think you're rich		(9) one of us want to take that taxi home
You could have a million euro		
But you can't buy this
