Before the worst by The Script

It's been a while since the two of us talked
About a (1)_____ since the day that you walked
Knowing things would never be the same
With your empty heart and mine full of pain
So explain to me, how we came to this
Take it (2)_____ to the night we kissed
It was Dublin city on a Friday night
There were vodkas and coke, I was Guinness all night
We were sitting with our backs against the world
Saying things that we thought but never heard
Who would have thought it would end up (3)_____ this?
Where everything we talked (4)_____ is gone?
And the only chance we have of moving on
Is try to take it back (5)_____ it all (6)_____
wrong
Before the worst, before we mend
Before our hearts decide
It's time to love again
(7)_____ too late
Before too long
Let's try to take it back before it all (8)_____ wrong
There was a time
(9)_____ we'd stay up all night
Best friends yet talking till the daylight
Took the joys alongside the pain
With not much to loose, but so much to gain
Are you hearing me? Because I don't (10)_____ miss
you
You were (11)_____ on memory bliss
In this Grafton Street on a rainy night

I was down on one knee and you were mine for life
We (12)_____ thinking we would never be apart
With your name (13)_____ across my heart
Who would have thought it would end up like this?
Where everything we talked about is gone
And the (14)_____ (15)_____ we have of
moving on
Is try to take it back before it all went wrong
Before the worst, before we mend
Before our hearts decide
It's (16)_____ to love again
Before too late
Before too long
Let's try to (17)_____ it back (18)_____ it all
(19)_____ wrong
And if the clouds don't clear
Then we'll (20)_____ above it, we'll rise above it
Heaven's (21)_____ is so near
Come (22)_____ with me through
(23)_____ like we used to, (24)_____ like we used
to
Let's take it back before it all went wrong
Before the worst, before we mend
(25)_____ our hearts (26)_____
It's time to love again
Before too late
Before too long
Let's try to take it back before it all (27)_____ wrong
