## Six degrees of separation by The Script

You've read the books, you've watched the show	First, you think the worst is a broken heart
What's the (1) way no one (2) ye?	What's gonna kill you is the (17) part
Meditate get hypnotized	And the third, Is (18) your world
Anything to (3) it from your mind	(19) down the middle
But it won't go	And fourth, you're gonna think that you fixed yourself
You're (4) all (5)	Fifth, you see her out with someone else
(6) out of desperation	And the sixth, is when you admit
You're going through six degrees of separation	That you may have fu*ked up a little
Ye hit the drink, ye take a toke	Oh no there's no starting over
Watch the past go up in smoke	Without finding closure
Ye (7) a smile, ye lie and say	You take (20) back no hesitation
You're better now than ever and your life's okay	That's (21) you know
Well it's not, no	You've reached the sixth degree of separation
You're doing all these things out of desperation	Oh no there's no starting over
You're going through six degrees of separation	Without finding closure
First, you think the worst is a broken heart	You take them (22) no hesitation
What's gonna kill you is the second part	That's (23) you know
