

## Fill in the gaps

(1)	back home everyone,	God what a gift
as you know, I am now dead,		You (17) me with your tongue
and this video shows my last will and testament.		And your breath goes in the lungs
Between my three children,		And the flow that filled the rift
I couldn't decide which of you		I know that things can really get (18)
to keep the house to,		When you go in love
as each of you grew up here with me.		Don't go (19) you gotta be tough
So I didn't choose any of you,		Complete like a stone
because, as you know, each of you hates my guts.		Could be there's nothing else in our lives
(2) this is just a simple song		So critical as this little hole.
To see what you've done		<em>This isn't actually a deed to the house, I was kidding.</em>
I (3) you about all those fears		Let's be honest,
And away they did run		(20) place is full of (21) memories
You (4) must be strong		for all of us,
<em>Instead, I've hidden the deed somewhere in the house,</em>		so I've already sold the estate and I am (22)
and the first of you to find it gets everything,		the (23) demolished. But best of luck to all of
ready? get steady, go!		you. <em>Love, Dad</em> ,
You (5) (6) an ocean		Well this isn't be a simple song
Being (7) by the sun		to say what you've done
When I was just nine years	s old	I (24) you (25) all those fears
I swear that I dreamt		And away they did run
Your face on a football field		You sure must be strong
And a (8) that I kept		<em>P.S. The wrecking crew arrives at (26)</em>
Under my vest		p.m
Apart from everything, the (9) in my chest		And you feel like an ocean
I (10) that things can (11) get		Being warmed by the sun
ough		Remember walking a mile to your house
(12) you go in love		That glow in the dark
Don't go thinking you gotta be tough		I made a fumbling play for your heart
(13) like a stone		And the extra of the spark
(14) be there	s's nothing else in our lives	You wore a charm in a chain
So (15)	_ as this little hole	That I stole (27) for you
My (16) in an a	ction boat, marooned on a cliff	Love's such a delicate (28) that we do
You brought me a great big flood		(29) nothing to prove
And you gave me a lift		Which I never knew
