Simple song by The Shins

Fill in the gaps

vvelcome back nome everyone,	God what a gift
as you know, I am now dead,	You tell me with your tongue
and this video (1) my last will and testament.	And your breath (7) in the lungs
Between my three children,	And the flow that filled the rift
I couldn't decide which of you	I know that things can really get rough
to keep the house to,	When you go in love
as each of you grew up here with me.	Don't go thinking you gotta be tough
So I didn't choose any of you,	Complete like a stone
because, as you know, each of you hates my guts.	Could be there's nothing else in our lives
Well this is just a simple song	So critical as this (8) hole.
To see what you've done	This isn't actually a deed to the house, I was kidding.
I told you about all those fears	Let's be honest,
And (2) they did run	this place is full of awful memories for all of us,
You sure must be strong	so I've already sold the estate and I am having the house
Instead, I've hidden the deed somewhere in the house,	demolished. But best of (9) to all of you.
and the first of you to find it gets everything,	Love, Dad ,
ready? get steady, go!	Well this isn't be a simple song
You feel like an ocean	to say what you've done
Being warmed by the sun	I told you about all those fears
When I was just nine years old	And away they did run
I swear that I dreamt	You sure must be strong
(3) (4) on a football field	P.S. The wrecking crew arrives at 2:00 p.m
And a kiss that I kept	And you feel like an ocean
Under my vest	Being warmed by the sun
Apart from everything, the heart in my chest	Remember walking a mile to your house
I know that things can really get rough	That glow in the dark
When you go in love	I made a fumbling play for your heart
Don't go (5) you gotta be tough	And the extra of the spark
Complete like a stone	You wore a charm in a chain
Could be there's (6) else in our lives	That I stole special for you
So critical as this little hole	Love's such a delicate thing that we do
My life in an action boat, marooned on a cliff	(10) nothing to prove
You brought me a great big flood	Which I never knew
And you gave me a lift
