

You gotta pray for the best

Fill in the gaps

Those that try anything once	You never ask why
(1) we (2) (3) the	You never ask why
only ones?	You're (5) a lie
All the time that I need is never quite enough	Baby you're (6) too high
All the time (4) I have is all that's necessary	You never ask why
You're living a lie	You never ask why
You're living a lie	You're living a lie
You're living too fast	Baby you're flying too high
You gotta pray for the best	Don't get on the phone
You never ask why	Don't reach for the door
You never ask why	You know the answer that you're (7) for
You're living a lie	You're living a lie
Baby you're flying too high	You're living a lie
No one talks about the war	You're living too fast
On my block, or by the shore	You (8) for the best
All alone in a room	You never ask why
Do you want what I want too?	You never ask why
All the time in the world	You're living a lie
Is all that's necessary	Baby you're flying too high
You're living a lie	
You're living a lie	
You're living too fast
