

Fill in the gaps

Down, down in my bones
Somewhere I'd never ever known
(1) at the back of my head
It hit me like a beam of light
Hit me like a hook of the right
And I could have (2) to the floor
Because you talk to me
And it comes off the wall
You talk to me
And it goes (3) my head
So let's go to bed
So let's go to bed (4) you say something real
· ·
(4) you say something real
(4) you say something real Let's go to bed before you say how you feel
(4) you say something real Let's go to bed before you say how you feel Because it's you
(4) you say something real Let's go to bed before you say how you feel Because it's you It's always you
(4) you say something real Let's go to bed before you say how you feel Because it's you It's always you I always knew, oh, it's you
(4) you say something real Let's go to bed before you say how you feel Because it's you It's always you I always knew, oh, it's you I try my best to unwind

So let's go to bed
(8) you say something real
Let's go to bed before you say how you feel
Because it's you
It's always you
I (9) knew, oh, it's you
And it's you
It's always you
I always knew, oh, it's you
Oh it's you
It's always you
I always knew, oh, it's you
Because it's you
It's always you
I always knew, oh, it's you
And you, oh I always knew
Yes I always knew
oh, it's you
