

Fill in the gaps

Oh, I (1) bore you with the truth	But the whole (14) feels (15) an
About an uneventful youth	exercise
Or you could get that rap (2) someone else	I'm trying to be (16) I (17)
And I could make an observation	rather not be
If you are the voice of a generation	(18) try to second guess
But I'm too self-absorbed to give it clout	If you would be approving
And I, I don't really (3) about anybody else	I find my life (19) so moving
When I haven't got my own life figured out	Keen wide-eyed and unassuming
Because when (4) (5) and	No hope -Ok-
bored and 24	There is no hope
And don't know who you are, nobody's no hope	When (20) desperately
And it's (6) to come of age	No hope, (21) (22)
I think (7) a problem	definitely
As I never go away	No hope, if you don't believe me
And no, I am so self-obsessed I guess	Yeah there is no hope
But there's no hope	When there's desperately
But I hope it's just a phase	No hope, when there's definitely
Or I'll grow	No hope but if you don't believe me oh
Oh, I could look for inspiration	But I, I don't really care about (23) else
Find it in the track on an (8) station	When I haven't got my own life figured out
But weren't that be cheap and ill-informed?	Because when you're 24 and young and bored
And I could bet you don't believe me	And don't know who you are nobody's no hope
If I share a cape from deep within me	And (24) hard to come of age
But I promise you I'm telling you the truth	I (25) (26) a problem
And I, I don't really care about anybody else	As I never go away
When I (9) got my own	And no, I am so self-obsessed I guess
(10) figured out	But there's no hope
Because (11) you're 24 and young and bored	But I hope it's just a phase
And don't know who you are nobody's no hope	Or I'll grow
And it's hard to (12) of age	There is no hope
I think it's a problem	I know it's a problem
As I never go away	It never goes my way
And no, I am so self-obsessed I guess	I know I am so self-obsessed I guess
But (13) no hope	But there's no hope
But I hope it's just a phase	But I (27) it's just a phase
Or I'll grow	Or I'll grow
Well I wish that I was comfortable in my own skin
