

Well I wish that I was comfortable in my own skin

Oh, I could bore you with the truth	But the whole thing feels like an exercise
(1) an uneventful youth	I'm trying to be someone I would rather not be
Or you could get that rap from someone else	I'd try to second guess
And I could make an observation	If you would be approving
If you are the voice of a generation	I find my life ever so moving
But I'm too self-absorbed to give it clout	Keen wide-eyed and unassuming
And I, I don't really care about anybody else	No (6)Ok-
When I haven't got my own life figured out	There is no hope
Because (2) you're young and bored and 24	When there's desperately
And don't know who you are, nobody's no hope	No hope, when there's definitely
And (3) (4) to come of age	No hope, if you don't believe me
I think it's a problem	Yeah there is no hope
As I never go away	When there's desperately
And no, I am so self-obsessed I guess	No hope, when there's definitely
But there's no hope	No hope but if you don't believe me oh
But I hope it's just a phase	But I, I don't (7) care about anybody else
Or I'll grow	When I haven't got my own life figured out
	Because when (8) 24 and young and
Oh, I could look for inspiration	because when (o) 24 and young and
