The One That Got Away by Katy Perry

•••	III (17) IIIe
Summer after high school when we (1) met	I (18) (19) you stay
We make-out in (2) Mustang to Radiohead	So I don't (20) to say
And on my 18th Birthday	You (21) the one that got away
We got (3) tattoos	the one that got away
Used to (4) (5) parents' liquor	The one
And climb to the roof	The one
Talk about our future	The one
like we had a clue	The one that got away
Never planned that one day	All this money can't buy me a time machine (No
I'd be (6) you	Can't replace you with a million rings (No)
In (7) life	I shoulda told you what you meant to me (Whoa
I would be your girl	Cause now i pay the price
We keep all our promises	In another life
Be us against the world	I would be your girl
In another life	We keep all our promises
I would (8) you stay	Be us (22) the world
So I don't have to say	In another life
You were the one that got away	I would make you stay
The one that got away	So I don't have to say
I was June and you (9) my Johnny Cash	You were the one that got away
Never one without the other We made a pact	The one that got away
Sometimes when I miss you	The one
I put (10) records on	The one
Someone said you had your tattoo removed	The one
Saw you (11) the	In another life
Blues	I would (23) you stay
It's (13) to face the music	So I don't have to say
I'm no (14) your muse	You (24) the one that got away
But in (15) life	The one that got away
I would be your girl	
We keep all our promises	
Be us (16) the world
