The One That Got Away by Katy Perry

Fill in the gaps

	In another life	
Summer after high school when we first met	I would make you stay	
We make-out in your Mustang to Radiohead	So I don't have to say	
And on my 18th Birthday	You were the one that got away	
We got matching tattoos	the one that got away	
Used to steal your parents' liquor	The one	
And climb to the roof	The one	
Talk about our future	The one	
like we had a clue	The one that got away	
Never planned that one day	All this money can't buy me a time (8)	(No)
I'd be losing you	Can't replace you with a million rings (No)	
In another life	I shoulda told you what you meant to me (Whoa)	
I (1) be your girl	Cause now i pay the price	
We (2) all our promises	In another life	
Be us (3) the world	I would be your girl	
In another life	We keep all our promises	
l would make you stay	Be us against the world	
So I don't have to say	In (9) life	
You were the one that got away	I would make you stay	
The one that got away	So I don't have to say	
I was June and you were my Johnny Cash	You were the one that got away	
Never one without the other We made a pact	The one that got away	
Sometimes when I (4) you	The one	
I put those records on	The one	
Someone said you had your tattoo removed	The one	
Saw you downtown singing the Blues	In another life	
It's time to face the music	I would make you stay	
I'm no (5) (6) muse	So I don't have to say	
But in another life	You were the one (10) got away	
I would be your girl	The one that got away	
We keep all our promises		
Be us (7) the world
