

Fill in the gaps

We (1) the line	Screams like an angel for your love
Who pushed you over	Then she makes you watch her from above
It doesn't matter to you	And you need her like a drug
It matters to me	Oh, love, you say in love
We're cut adrift	there are no rules
We're still floating	Oh, love, sweetheart
I'm only (2) on	You're so cruel
To (3) you go down	She wears my love like a see-through dress
My love	Her lips say one thing
I disappeared in you	Her movements something else
You disappeared from me	Oh love, like a (14) flower
I gave you everything you (4) wanted	Love, (15) every hour
It wasn't (5) you wanted	You don't know if it's fear or desire
The men who love you	(16) the drug that takes you higher
You hate the most	Head in heaven, (17) in the mire
They (6) through you like a ghost	Her heart is racing, you can't (18) up
(7) (8) for you but	The night is bleeding like a cut
Your (9) is in the air	Between the horses of love and lust
Baby, you're nowhere	We are trampled underfoot
Oh, love, you say in (10)	Oh, love, you say in love
there are no rules	there are no rules
Oh, love, sweetheart	Oh, love, sweetheart
You're so cruel	You're so cruel
Desperation is a tender trap	Oh, love, to stay with you I'd be a fool
It gets you (11) time	Oh, sweetheart, you're so cruel.
You put your lips to her lips	
To stop the lie	
Her (12) is pale (13) God's only dove
