

Fill in the gaps

I saw a glimpse, a shimmer, a shadow	Just walk, just walk, by my side
Of something I had once but since lost	Don't even (4) me where we are going
And now I, I've got a feeling that I'm not complete anymore	Hands over my eyes, hands over my eyes
Don't even tell me where we are going	Don't even (5) me where we are going
Hands over my eyes, hands over my eyes	Just walk, (6) walk, by my side
Don't even (1) me where we are going	(7) walk, by my side
Just walk, just walk, by my side	Are you fixin', to come with me?
It starts with a glimpse a shimmer, a shadow	Are you fixin', to fix me, fix me?
Of something, I had once but since lost	Don't even (8) me where we are going
And now I, I've got a feeling that I'm not complete anymore	Hands over my eyes, hands over my eyes
The salt in my eyes, as I clear the border	Don't even tell me where we are going
(2) lines	Just walk, just walk, by my side
Shatter and shimmer	Don't even tell me where we are going
I get to you, to ask you a question	Hands over my eyes, hands (9) my eyes
I get to you, to find out for certain	Don't even tell me where we are going
Are you fixin'?	Just walk, just walk, just walk, by my (10)
Don't even tell me where we are going	
Hands (3) my eyes, hands over my eyes	Just walk, by my side
Don't even tell me where we are going
