

Fill in the gaps

Somebody I used to know by Walk off the Earth

Now and then I (1) of when we were together	But I don't wanna (14) that way
Like when you said	Reading into every word you say
you felt so happy you could die	You said (15) you could let it go
I told myself that you were right for me	And I wouldn't catch you hung up on somebody
But felt so lonely in (2) company	(16) you used to know
But that was (3) and it's an ache I still remember	But you didn't (17) to cut me off
You can get addicted to a certain (4) of sadness	Make out like it never happened
(5) to the end	And that we were nothing
Always the end	And I don't (18) need your love
So when we found that we could not (7) sense	But you treat me like a stranger
Well you said that we would still be friends	And that (19) so rough
But I'll admit that I was glad that it was over	No you didn't have to stoop so low
But you didn't have to cut me off	Have your friends collect your records
Make out like it never happened	And then (20) (21) number
And that we were nothing	I (22) that I don't need that though
And I don't even need your love	Now you're just somebody that I used to know
But you treat me like a stranger	Somebody
And (8) feels so rough	I used to know
No you didn't have to stoop so low	Now you're just (23) that I
Have your friends collect your records	(24) to know
And (9) change your number	Somebody
I guess (10) I don't need that though	I used to know
Now you're just somebody that I used to know	Now you're (25) somebody (26) I used
Now you're (11) somebody that I used to know	to know
Now you're just somebody that I (12) to know	I used to know
Now and then I think of all the (13) you screwed	That I (27) to know
me over	I used to know
But had me believing	Somebody
it was always something that I'd done
