Say you like me by We the kings

She's the (1) that no one ever knows	I'm never going down
And I say "hi"	l'm never (8) up
but she's too shy to say "Hello"	I'm never gonna leave
(2) just (3) for that one	So put your hands up
to take her hand	If you like me
And shake her up, I bet I could	Then say you like me
I wish my heart was (4) on her mind	It's time to fall into my arms
Because she's on mine like all day all the time	Because I've been waiting for too long
Forget me not, forget me now	You're an angel
I've come too far to turn around	Grab (9) halo
I'm here tonight	And let's fly, tonight
Because I'm never going down	Because I'm never going down
I'm (5) giving up	I'm never giving up
I'm never gonna leave	I'm never gonna leave
So put (6) hands up	So put your hands up
If you like me	If you like me
Then say you like me	Then say you like me
(7) never going down	Because I'm (10) going down
I'm never giving up	I'm never giving up
I'm never gonna leave	I'm never gonna leave
So put your hands up	So put your hands up
If you like me	If you like me
Then say you like me	Then say you like me
She's the girl that no one ever knows	I'm never going down
Works a double just to buy her clothes	I'm never giving up
Nicotine and faded dreams	I'm never gonna leave
Baby just believe there's no one else like me	So put your hands up
Because I'm never going down	If you like me
I'm never giving up	Then say you like me
I'm never gonna leave	Just say you like me
So put your hands up	
If you like me
