I know you're gonna say I'm not cool enough

Tell all your friends I screwed it up

I could give two sh*ts, just let me breathe
I don't care what you're saying about me
No, I don't care
I don't care what you think about me
No, I don't care
I can't let you be (6) constant
Compromising me
<em>-Comatose bones into silicone drones-</em>
Leaving it behind me
Snake skin in my tracks
The venom could've killed me
Sucked it up and (7) it back
When you finally close the window
You find an (8) door
But it's up to you to walk right through
And forget about before
I know you're gonna say I'm not cool enough
Tell all you're friends I screwed it up
I could (9) two shits, just let me breathe
I don't care what you're saying about me
No, I don't care
I don't care what you think about me
No, I don't care
I (10) let you be this constant
Compromising me
<em>Comatose bones into silicone drones</em>
Drown 'em and drown 'em and drown 'em into deep doubt
Comatose bones into silicone clones
Drown 'em and drown 'em and drown 'em into deep
