

Fill in the gaps

Bottoms up tonight I drink to you and I	At least you (15) that
Because with the morning comes the (1) of my life	I (16) care enough to write
	(17) up tonight I drink to you and I
And with this empty glass I will break the past	Because with the morning comes the (18) of my
Because with the morning I can open my eyes	life
I want (2) to be my awakening	And (19) (20) empty glass I
I give this one to you an anthem full of truth	(21) break the past
I tell you now an epic tale	Because (22) the morning I can open my eyes
Of what you've put me through	And maybe I (23) see a different destiny
And (3) though you don't deserve one of	Like (24) you at all was only a bad dream
(4) own	I want this to be my awakening
A melody, a song (5) the life that you let go	No rest for the wicked they say
I can't believe that	Forgive me if I try to change
I still (6) enough to write	No rest for the wicked they say
Bottoms up tonight I (7) to you and I	Forgive me if I try to change
(8) with the morning comes the rest of my	Bottoms up tonight I (25) to you and I
life	(26) with the morning comes the rest of my
And with this empty glass I (9) break the past	life
Because with the morning I can open my eyes	And with this empty glass I will break the past
I want this to be my awakening	(27) with the morning I can open my
Yes I miss you (10)	(28)
And probably always will	And maybe I will see a different destiny
I'm (11) with a busted heart that I will	Like knowing you at all was only a bad dream
(12) until	I want this to be my awakening
I find the (13)	
I know it's somewhere in my bones	
To (14) the curtain up again and get on with this	
show
