Lwent to be rich and Lwent late of manay	I'll look at the sun and I'll look in the mirror
I want to be rich and I want lots of money	TH TOOK At the Sun and Th Took in the militor
I don't care about clever I don't care (1) funny	I'm on the (6) (7) yeah we're on to
I want loads of clothes and fuckloads of diamonds	a winner
I heard people die while they are trying to find them	Chorus
I'll (2) my clothes off and it will be shameless	I don't know what's (8) and what's real anymore
'Cuz everyone knows that's how you get famous	I don't know how I'm meant to feel anymore
I'll (3) at the sun and I'll look in the mirror	When do you think it will all become clear?
I'm on the right track yeah (4) on to a winner	'Cuz I'm being taken over by The Fear
[Chorus]	[Bridge]
I don't know what's right and what's real anymore	Forget about guns and forget ammunition
I don't know how I'm meant to feel anymore	Cause I'm killing them all on my own little mission
When do you think it will all become clear?	Now I'm not a saint but I'm not a sinner
'Cuz I'm being taken over by The Fear	Now everything's cool as long as I'm getting thinner
Life's about film stars and (5) about mothers	[Chorus]
It's all about fast cars cussing each other	I don't (9) what's right and what's real anymore
But it doesn't matter cause I'm packing plastic	I don't know how I'm meant to feel anymore
and that's what makes my life so fucking fantastic	When do you think it (10) all become clear?
And I am a weapon of massive consumption	'Cause I'm being taken over by fear
and its not my fault it's how I'm programmed to function
