

## Fill in the gaps

Stop! The train is riding	Because I want more, because I want more
Down to the station (1) you lived	My body tells me: no!
When we were school kids	But I won't quit
Hey! The rails are caught now	Because I want more, because I want more
And I am falling down	It rides out of town
Fools in a spiral	Oh, it's my road, it's my road, it's my road (bis)
Round this town of steam	It's my war, it's my war, it's my war (bis)
My body tells me: no!	His eyes are open
But I won't quit	His eyes are open
Because I want more, (2) I want more	Oh, because I want more, because I want more, more, more
My (3) tells me: no!	His eyes are open
But I won't quit	His eyes are open
(4) I want more, because I want more	My (8) tells me: no!
Stop! The train is riding	But I won't quit
Down to the station where I lived	Because I want more, because I want more
When I was a (5) kid	My body tells me: no!
Hey! Is it my fault that	But I won't quit
The fallen embers burn down in a spiral	Because I want more, because I want more
Round your (6) of thieves	It rides out of town
My body (7) me: no!	
But I won't quit
