We come running by Youngblood Hawke

We come running
We come running
We come running
We come running
Under a pale blue sky
You (1)_____ felt so cold
Another sleepless night
How could you ever let go
How do you recognize
The dirty face of gold
Behind that crooked line
Where you (2)_____ knew you'd go
Headed for the open (3)_____
Tell me what you're (4)_____ for
Look across the great divide
Soon they're going to hear the sound
The sound, the sound
When we come running
Never go where we belong
Echoes in the (5)_____ of dawn
Soon they're going to know the sound
The sound, the sound
When we come running
The sound, the sound, the sound
When we come running
When the world's gone (6)_____
I see you dancing slow
Feeling satisfied
Where you never knew you'd go
Headed for the open door
Tell me what you're waiting for
Look across the great divide

Soon they're going to hear the sound
The sound, the sound
When we come running
Never go where we belong
Echoes in the dead of dawn
Soon they're going to know the sound
The sound, the sound
When we come running
The sound, the sound, the sound
When we come running
Days go by
Feeling (7)_____ and tired
Remember, always remember...
The sound, the sound, the sound
When we come running
The sound, the sound, the sound
(8)_____ we come running
Headed for the open door
Tell me what you're waiting for
Look across the great divide
(9)_____ they're going to hear
The sound, the sound, the sound
When we come running
The sound, the sound, the sound
