

## The wind by Zac Brown Band

30,000 feet above the city where  
I fell in love with you  
And the fading concrete skyline  
Brings an urban lullaby that still rings (1)\_\_\_\_\_  
When I passed you on the street that day  
Should've let that red scarf fly away  
Like any chance I had of keeping you  
Like the Northern wind a blowing  
Yeah my lonely heart was frozen  
Never knew I'd find a way  
To break yours too  
Where the wind blows babe  
You can bet I'll be riding high (2)\_\_\_\_\_ it  
Holding on for my dear life just like I always did  
Close your eyes babe, take a breath  
Say my name and I'll be there  
My love will find you anywhere  
Anywhere my love  
The city lights look like a country sky  
Like staring at the stars turned upside down  
I wish I may, I wish I might  
Find it in your heart to stick around  
I hate it had to end this way  
Tomorrow is a brand new day  
And the chances here at love are precious few  
Someone's out there waiting  
For a sweet good timing lady
