_ wanted to

30,000 feet above the city where	To make you smile the way I (8)
I fell in love with you	Where the wind blows babe
And the fading concrete skyline	You can bet I'll be (9) high with it
Brings an urban lullaby that still rings true	Holding on for my dear life just like I always did.
When I passed you on the street that day	Close your eyes babe, take a breath
Should've let that red scarf fly away	Say my name and I'll be there
Like any chance I had of keeping you	My love will find you anywhere
Like the Northern wind a blowing	Anywhere my love
Yeah my lonely heart was frozen	So I'll fly all night
Never knew I'd find a way	Our memory's my lullaby
To break yours too	That love won't lie
(1) the wind blows babe	If it's love done right
You can bet I'll be riding high with it	You'll be waiting on the other side
Holding on for my dear (2) just like I always did	Arms open wide If love don't lie
Close (3) eyes babe, take a (4)	Lie, we can fly
Say my name and I'll be there	Where the wind blows babe
My love will find you (5)	You can bet I'll be riding high (10) it
Anywhere my love	Holding on for my dear life just like I always did
The city lights look like a (6) sky	Close your eyes babe, take a breath
Like staring at the stars turned upside down	Say my name and I'll be there
I wish I may, I wish I might	My love will find you anywhere
Find it in your heart to stick around	Anywhere, my love will find you anywhere
I hate it had to end this way	Anywhere, my love will find you anywhere
Tomorrow is a brand new day	Anywhere my love
And the chances here at (7) are precious few	
Someone's out there waiting	
For a sweet good timing lady
