30,000 feet (1) the city where	To make you smile the way I always (12) to
I (2) in love with you	Where the (13) blows babe
And the fading concrete skyline	You can bet I'll be riding (14) with it
Brings an urban lullaby that still rings (3)	Holding on for my (15) life just like I
When I passed you on the street that day	(16) did.
Should've let that red scarf fly away	Close (17) eyes babe, take a breath
(4) any chance I had of keeping you	Say my (18) and I'll be there
Like the Northern wind a blowing	My love will find you anywhere
Yeah my lonely heart was frozen	Anywhere my love
Never knew I'd find a way	So I'll fly all night
To (5) too	Our memory's my (19)
Where the wind blows babe	That love won't lie
You can bet I'll be riding (7) with it	If it's (20) done right
Holding on for my dear life just like I (8) did	You'll be waiting on the other side
Close (9) eyes babe, take a breath	Arms open wide If love don't lie
Say my name and I'll be there	Lie, we can fly
My love will find you anywhere	Where the wind blows babe
Anywhere my love	You can bet I'll be riding high with it
The city lights look (10) a country sky	(21) on for my dear life (22) like
Like staring at the stars turned upside down	I always did
I wish I may, I wish I might	Close (23) eyes babe, (24) a breath
Find it in your heart to stick around	Say my name and I'll be there
I hate it had to end this way	My love will find you anywhere
Tomorrow is a brand new day	Anywhere, my love (25) (26) you
And the chances here at love are precious few	anywhere
Someone's out there waiting	Anywhere, my (27) (28) find you
For a (11) good timing lady	anywhere
	Anywhere my love
