life		Because we both know what we choose
Fight (7) for the selfish pain		If you pull, (18) I'll push too deep
It was worth it every time		And I'll fall right back to you
Hold still (8) before we crash		(19) you are the (20) of me
Because we both know how this ends		I wish I didn't need
Our clock ticks till it (9) your glass		Chasing relentlessly
And I (10) in you again		Still fight and I don't know why
Because you are the (11) of me		If our love is tragedy
I wish I didn't need		Why are you my remedy?
(12) relentlessly		If our (21) is insanity
(13) (14) and I don't know why		Why are you my clarity?
If our love is tragedy		Why are you my clarity?
Why are you my remedy?		Why are you my remedy?
If our (15) is insanity		Why are you my remedy?
Why are you my clarity?		Why are you my remedy?
If our love is tragedy		If our love is tragedy
Why are you my remedy?		Why are you my remedy?
If our love is insanity		If our love is insanity
Why are you my clarity?		Why are you my clarity?
