Fill in the gaps

I (1) ignoring this big lump in my throat		What now?
I shouldn't be crying, tears were for the weak		There's no one to call
The days I'm stronger, know what, so I say		'Cause I'm just playing games (5) them a
That's something missing		The more I swear I'm happy
Whatever it is, it feels like it's (2)	_ at me	The more that I'm feeling alone
Through the glass of a two-sided mirror		'Cause I spent every hour
Whatever it is		Just going through the motions
It's just sitting there laughing at me		I can't even get the emotions to come out
And I just wanna scream		Dry as a bone, but I just (6) shout
What now?		What now?
I just can't figure it out		I just can't figure it out
What now?		What now?
I guess I'll just wait it out (wait it out)		I guess I'll just wait it out (wait it out)
What now?		What now?
(Oh oh oh) what now?		Somebody tell me
I found the one he changed my life		What now?
But was it me that changed		I don't know where to go
And he just happened to come at the right time		I don't (7) what to feel
I'm supposed to be in love		I don't know how to cry
But I'm not mugging		I don't know (ow, ow) why
Whatever it is		I don't know where to go
It feels like it's laughing at me		I don't know what to feel
Through the glass of a two-sided mirror		I don't know how to cry
Whatever it is		I don't know (ow, ow) why
It's (3) sitting there laughing at me		I don't know where to go
And I (4) wanna scream		I don't know what to feel
What now?		I don't know how to cry
I just can't figure it out		I don't know (ow, ow) why
What now?		So what now?
I guess I'll just wait it out (wait it out)
