Leave It All To Me by Miranda Cosgrove & Drake Bell

(In five, four, three, two)	There's a dream in everyone
I know, you see	And it's all real
Somehow the world (1) (2) for me	I'm telling you just how I feel
And be so wonderful	So wake up the members of my nation
Live life, breathe air	It's your time to be
I (3) somehow we're gonna get there	There's no chance unless you take one
And (4) so wonderful	And the (17) to see
I will make you (5) you mind	The brighter side of (18) situation
These things happen all the time	Some things are meant to be
And it's all real	So give your best and (19) the rest to me
I'm (6) you (7) how I feel so	Leave it all to me (leave it all to me)
Wake up the members of my nation	So make it right (maybe you're right)
It's (8) time to be	And see it through (you gotta)
There's no chance unless you take one	You know you won't be free until you
And it's (9) to see	Wake up the members of my nation
The brighter (10) of every situation	It's your time to be
Some (11) are (12) to be	There's no (20) (21) you
So (13) your best and leave the rest to me	(22) one
I know	And the time to see
It's time	The brighter side of every situation
To (14) the hand that draws the line	Some (23) are (24) to be
And be so wonderful	So give it your best and leave the (25) to me
Golden sunshine	Leave it all to me (leave it all to me)
I (15) somehow (16) be mine	Leave it all to me
And feel so wonderful	Just leave it all to me
