Leave It All To Me by Miranda Cosgrove & Drake Bell

(In five, four, three, two)	There's a dream in everyone
I know, you see	And it's all real
Somehow the world will change for me	I'm telling you just how I feel
And be so wonderful	So (6) up the members of my nation
Live life, breathe air	It's your time to be
I know somehow we're gonna get there	There's no (7) unless you take one
And feel so wonderful	And the time to see
I will make you change you mind	The brighter side of every situation
These things happen all the time	Some things are meant to be
And it's all real	So give your best and leave the rest to me
I'm telling you just how I feel so	Leave it all to me (leave it all to me)
Wake up the (1) of my nation	So make it (8) (maybe you're right)
It's your time to be	And see it through (you gotta)
There's no chance unless you take one	You know you won't be free until you
And it's time to see	Wake up the members of my nation
The brighter side of every situation	It's your time to be
Some (2) are meant to be	There's no chance unless you take one
So give your best and leave the rest to me	And the time to see
I know	The brighter side of every situation
It's time	Some things are (9) to be
To raise the hand (3) (4) the line	So give it your best and leave the rest to me
And be so wonderful	Leave it all to me (leave it all to me)
Golden sunshine	Leave it all to me
I know somehow (5) be mine	Just leave it all to me
And feel so wonderful
