

## Fill in the gaps

I always thought you were someone to die for		Both you and me	
I used to say I'd never been so much in love before		Like wrapped up in plastic	
Now I know the (1)	of forever	Don't know how we (6)	to this
It's such a long time		I feel like I've been	
When you're not having fun		Wrapped up in plastic	
Remember how we (2)	_ were together	Never knew how life (7)	_ be
They used to say no one would see us coming one by one		Both you and me	
There was a time when I thought we could shake it		Like wrapped up in plastic	
No matter what, we would always make it		I don't know how	
Don't know how we came to this		Somewhere we got off track	
I feel like I've been		I tried but I couldn't keep it in my heart	
Wrapped up in plastic		I looked around	
Never knew how life could be		I tried to get it back	
Both you and me		(Oh) Tell me how could we let it go	
Like wrapped up in plastic		Don't know how we came to this	
I always thought I was standing on solid ground		I feel (8) I've been	
Now I (3) like a (4)	spinning 'round	Wrapped up in plastic	
and 'round		Now it's all gone	
I'm so (5) in the world of I have to's		Wrapped in plastic	
It's been a long time		Did it all wrong	
Since I had some fun		Now we lost it	
I used to be where the hot summer wind blows		What a sad song	
There'd be no problems		Wrapped in plastic	
No bad options standing in my way		Now it's all gone	
Now I'm trapped		Wrapped in plastic	
And no way to get out		Now it's all gone	
Don't know how we came to this			
I feel like I've been			
Wrapped up in plastic			
Never knew how life could be
