There were rules you never told me	Without a shadow of a doubt
Never came up with a plan	She could put it in about
All the stories that you sold me	Hear the (6) shout
Didn't help me understand	Hear the people shout
But I had to get it worked out	It's long way, to the finish
Had nobody who could help	When you've (7) (8) before
So then in the end it turned out	I was nervous, but I did it
That I had to do it by myself	Now I'm going back for more
That's the (1) of rags to riches	That's out, yeah
Dogs and bitches hunt for fame	
Until you (2) you (3) which way to	Here the people shout
turn	
Make the day all the switches	Queenie eye, queenie eye who's got the ball?
Wicked (4) fan the flame	I haven't got it, it isn't in my pocket
Careful what you touch in case you burn	O-U-T spells out
Queenie eye, (5) eye who's got the ball?	That's out
I haven't got it, it isn't in my pocket	Without a shadow of a doubt
O-U-T spells out	She could put it in a pout
That's out	Hear the people shout
Without a shadow of a doubt	Hear the people shout
She could put it in about	Queenie eye, queenie eye who's got the ball?
Hear the people shout	I (9) got it, it isn't in my pocke
Hear the people shout	O-U-T spells out
Play the game, taking chances	That's out
Every dance is much the same	Without a shadow of a doubt
Doesn't matter which event you choose	She could put it in a pout
Never blame the circumstances	Hear the people shout
With romances seldom came?	Hear the people shout
Never pick a fight you're gonna lose	Hear the people shout
Queenie eye, queenie eye who's got the ball?	Ok?
