

When the sky is grey

## Fill in the gaps

Can't believe your (1) your bags	'Cause you (12) (13) for the Summer
Trying so hard not to cry	Now we know it's nearly over
Had the (2) time and now it's the worst time	Feels (14) snow in September
But we have to say goodbye	But I (15) will remember
Don't (3) that you're gonna write	You were my Summer love
Don't (4) (5) you'll call	You always will be my (16) love
Just promise that you won't forget we had it all	So please don't (17) this any harder
Cause you were mine for the Summer	We can't take this any farther
Now we know it's nearly over	And I know
Feels (6) snow in September	There's (18) that I (19)
But I always will remember	change, change
You were my Summer love	You (20) mine for the Summer
You (7) (8) be my Summer love	Now we know it's nearly over
Wish (9) we could be alone now	Feels like (21) in September
f we could find (10) place to hide	But I (22) will remember
Make the last time just like the first time	You (23) my Summer love
Push a button and rewind	You (24) will be my Summer love
Don't say the word that's on your lips	You always will be my (25) love
Don't look at me that way	You (26) (27) be my Summer love
Just (11) you'll remember
