SUB inglés

Fill in the gaps

Let Me Go by Avril Lavigne & Chad Kroeger

| _ove that once hung on the wall | I've said goodbye |
|--|---|
| Jsed to mean something, but now it means nothing | Set it all on fire |
| The echoes are gone in the hall | Gotta let it go, just let it go |
| But I still remember, the pain of december | I let it go, and now I know |
| (Oh) there isn't one thing left you could say | A (5) new life, this tale is rude |
| 'm sorry it's too late | Where it's right, you always know |
| 'm breaking free from these memories | So this time, I won't let go |
| Gotta let it go, just let it go | There's only one thing (6) (7) to say |
| 've said goodbye | Love's never too late |
| Set it all on fire | I've broken free from these memories |
| Gotta let it go, (1) let it go | I've let it go, I've let it go |
| | And two goodbyes, (8) you (9) new life |
| You came back to (2) I was gone | Don't let me go, don't let me go |
| And that place is empty | |
| Like the hole that was left in me | Don't let me go, don't let me go, don't let me go |
| Like we were nothing at all | Don't let me go |
| t's not that you meant to me | Won't let you go, don't let me go |
| Thought we were meant to be | Won't let you go, don't let me go |
| (Oh) there isn't one thing (3) you could say | Won't let you go, don't let me go |
| 'm sorry it's too late | Won't let you go, don't let me go |
| 'm breaking (4) from these memories | |
| Gotta let it go, just let it go | |

1. just
