

## Fill in the gaps

| Just to say I understand                 |
|--|
| And ain't it kind of funny               |
| At the (18) end of the road              |
| Someone lights the way                   |
| With just a single ray of hope           |
| (Oh) I believe there are angels among us |
| Sent (19) to us (20)                     |
| (21) up above                            |
| They come to you and me                  |
| In our darkest hours                     |
| To show us how to live                   |
| To teach us how to give                  |
| To guide us with the light of love       |
| They wear so many faces                  |
| Show up in the (22) places               |
| To grace us with their mercy             |
| In our time of need                      |
| (Oh) I believe there are (23) among us   |
| Sent down to us from (24) up above       |
| They come to you and me                  |
| In our darkest hours                     |
| To (25) us how to live                   |
| To teach us how to give                  |
| To guide us with the (26) of love        |
|  |
|  |
