## Angels Among Us by Demi Lovato

## Fill in the gaps

| I was walking home (1) school            |
|--|
| On a cold (2) day                        |
| Took a shortcut through the woods        |
| And I lost my way                        |
| It was (3) late                          |
| And I was scared and alone               |
| But then a precious baby boy             |
| Took my hand and (4) me home             |
| Mama couldn't see him                    |
| (Oh) but he was standing there           |
| And I knew in my heart                   |
| He was the answer to my prayers          |
| (Oh) I believe there are angels among us |
| Sent down to us from somewhere up above  |
| They come to you and me                  |
| In our darkest hours                     |
| To (5) us how to live                    |
| To teach us how to give                  |
| To (6) us with the light of love         |
| When life held troubled times            |
| And had me down on my knees              |
| There's always been someone              |
| To come along and comfort me             |
| A kind word from a stranger              |
| To lend a (7) hand                       |
| A phone call (8) a friend                |

Just to say I understand And ain't it kind of funny At the dark end of the road Someone lights the way With just a single ray of hope (Oh) I believe there are angels among us Sent down to us from somewhere up above They come to you and me In our darkest hours To (9)\_\_\_ \_\_\_ us how to live To teach us how to give To guide us with the light of love They wear so many faces Show up in the strangest places To grace us with their mercy In our time of need (Oh) I believe there are angels among us Sent down to us from somewhere up above They come to you and me In our darkest hours To show us how to live To teach us how to give To guide us with the light of love
