T Don't Want A Lover (Live) by Texas

Fill in the gaps

I don't want a lover	'bout what I'
I just need a friend	You don't ev
I don't want a lover	What you're
I just (1) a friend	And all you
You can't just leave me	Is what you
To face life on my own	But in there
I know you don't love me no more	I don't want
I knew this day it would come	I (9)
Even when it (2) so deep	And I know
It's true I still want you	Now that I k
But the harder I try	You don't ev
The more I seem to lose	'bout what I'
I don't want a lover	You don't ev
I just need a friend	What you're
I've had (3) to recover	All you see
Now that I know it wasn't love	Is what you
It's (4) a different story	Then there's
When it's me who's in the wrong	And I don't
But you can't have it all	I just need a
Cause I'm the one who's strong	And I've had
I've (5) been burnt before	Now that I k
Once but never again	I don't want
I know the time will come	I just need a
That's when you need me then	And I know
Cause I don't (6) a lover	Now that I k
I just need a friend	And now that
And I've had time to recover	Yeah, now t
Now (7) I know it wasn't love	Yeah, I know
I don't want a lover	No, no, no,
I just need a prayer	Yeah
And I know you never cared	
Now that I (8) it wasn't love	
Cause you don't even care	

bout what I'm saying
You don't even think
What you're doing
And all you see
Is what you want it to be
But in there there's just no room for me
I don't want a lover
I (9) need a prayer
And I know you never cared
Now that I know it wasn't love
You don't even care
bout what I'm saying
You don't even think
What you're doing
All you see
Is what you want it to be
Then there's no room left for me
And I don't want a lover
I just need a prayer
And I've had (10) to recover
Now that I know it wasn't love
I don't want a lover
I just need a prayer
And I know you never cared
Now that I know it wasn't love
And now that I know
Yeah, now that I know
Yeah, I know it wasn't love
No, no, no, it wasn't love
Yeah

- 1. need
- 2. cuts
- 3. time
- 4. always
- 5. already
- 6. want
- 7. that
- 8. know
- 9. just
- 10. time
